**Neighbourhood Watch** - Local Neighbourhood Watch schemes work in a variety of ways that reflect the needs of the local community. This includes: sharing crime prevention advice and information; running awareness campaigns; holding social events and awards for local people and businesses; leading community projects, such as litter picks, a community café, flood defence response, presentations in schools and work with young people and children and community messaging with the police. For further information on the work of the NHW and instructions on how to create or join a scheme, visit here - <https://www.ourwatch.org.uk/>  
The Warwickshire Neighbourhood Watch page can be found here - <http://warwickshirenwa.ourwatch.org.uk/>

**Vehicle Crime** – Here are a few crime prevention tips to deter vehicle crime.

- Always lock your vehicle. Whether it's in the garage, on the driveway of your house, unattended for a few seconds or in an isolated car park, lock it and activate any alarm system.
- Always remove valuable items from the vehicle. If this cannot be done the items must be removed from view and secured in a glove box or boot.
- Fit an alarm that will activate on movement in the vehicle. An alarm that can notify you in real time that there is a problem is extremely useful.
- Items such as tools and machinery that cannot be removed can be secured in lockers and security marked with high visibility paint etc.
- If available, park your vehicle in a location that is covered by CCTV, overlooked by houses or is in an area that is in constant use.
- Use anti-theft screws and sticky pads for number plates. If you have a plate that is stolen, replace it with one that has a different design so it is distinguishable from the stolen plate.
- If you see or hear any suspicious activity around a car or car park, ring 101 to report straight away. Active crimes where the offenders are still at the scene can be reported on 999.

**Welcome to Warwickshire Connected** - Get connected with what is happening in your local area, keep up to date and get involved in shaping what goes on where you

live or work. Warwickshire Connected is a free messaging service brought to you by Warwickshire Police where you decide when and how you hear about the issues that matter most to you, whether that be getting regular crime updates, the latest information on ongoing incidents and emergencies or learning more about what your local police are doing. This is also the place where you can get involved in helping to make your local area a safer place, tell us what police should be doing in your area, shape the initiatives that help to keep people and property safe and tell us what matters are causing your communities harm. Sign up here - <https://www.warwickshireconnected.com/#SignUp>

***Make The Right Call*** - To help people contact the right service first time, there are a number of pages on our website which advise who the best agency is to speak to on issues including fly-tipping, noise complaints and parking, as well as reporting abuse on social media - <https://www.warwickshire.police.uk/police-forces/warwickshire-police/areas/warwickshire-police/campaigns/campaigns/2019/make-the-right-call/>

You can also play our interactive game to give you an idea of the daily pressures on our control room and encourage our communities to #MakeTheRightCall. The game uses examples of genuine 999 and 101 calls received by police which players must decide how to respond to against the clock. The options are to deploy officers, resolve over the phone, refer to a partner agency or take no action. Click her to play - <https://warwickshirepolice.github.io/MakeTheRightCall/>

Issues that are a police matter should be reported to us as soon as possible. Where there is a threat to life or an active crime in progress the 999 system can be used. Issues that are not an emergency can be reported to us on the 101 system or via our online reporting forms - <https://www.warwickshire.police.uk/> The quicker you tell us about an issue the quicker the incident can be reviewed and actioned appropriately. We do not monitor social media, especially local Facebook pages, so if you have been the victim of a crime or a witness of suspicious circumstances and anti-social behaviour, please contact us straight away.
