Alcester Police SNTs. Latest Weekly Report. Sunday 14th August 2022

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. Alcester SNT currently consists of 2 Police officers and 4 Police Community Support Officers, and our contact details are shown above.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

Article in Coventry Telegraph - You may have seen recently an article in relation to burglary figures in Alcester, if you have not, here is a link to it below:

<https://www.coventrytelegraph.net/news/coventry-news/upmarket-town-named-unlikely-burglary-24639424>

We feel it is important to provide some context around these figures, so you are reassured that the current risk of becoming a victim of burglary in Alcester is low. This rise was based on data from November – January. During this three-month period there were 17 offences of Burglary in total, 14 of which related to break ins to sheds or outbuildings. Various actions were taken at the time including multiple arrests and investigations. Since then, we have continued to carry out a lot of work that has seen the number drop considerably.

For residents' reassurance, at the time of writing, current figures show that the monthly average of residential burglaries is one (1) offence a day across the whole of Stratford District. Over the last three years the monthly average, across the district, of residential burglaries is down by 30%. For us as your Safer Neighbourhoods Team, one burglary is too many and we will continue to stay focused on this to try and prevent offences taking place as best we can. If you would like any crime prevention advice in relation to Burglary or any other offence, please don't hesitate to contact the team or to pay us a visit at either our weekly drop-in sessions at Alcester Police Station or one of our surgeries across the area. *Sgt D Ebbs*
