Alcester Police SNTs. Latest Weekly Report. Sunday 20th November 2022

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. Alcester SNT currently consists of 2 Police officers and 4 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Checklist for securing your home when you leave it

It's vital to leave your home secure whenever you leave it. Getting into an 'exit routine' can help ensure that you don't forget obvious, important things, like not leaving your valuables near windows, or no lights on if it will be dark before you get home. Here's what you should do just before you go out.

Become a creature of habit - Try to get into the habit of following your own course of action when you lock up your home. This will ensure that you don't forget anything.

Here's what we recommend you do before you go out:

- close and lock all your doors and windows, even if you're only going out for a few minutes
- double lock any door
- make sure that any valuables are out of sight
- keep handbags away from the letterbox or cat flap and hide all keys including car keys, as a thief could hook keys or valuables through even a small opening
- never leave car documents or ID in obvious places such as kitchens or hallways
- in the evening, shut the curtains and leave lights on
- if you're out all day, then it's advisable to use a timer device to automatically turn lights and a radio on at night
- set your burglar alarm
- make sure the side gate is locked
- lock your shed or garage
- lock your bike inside a secure shed or garage, to a robust fitting bolted to the ground or wall, like a ground anchor
