Alcester Police SNTs. Latest Weekly Report. Sunday 31st July 2022

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

FOREWORD From Sergeant Ebbs

About the team: Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7.

The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area.

Alcester SNT currently consists of 2 Police officers and 4 Police Community Support Officers, and our contact details are detailed in this report.

About this report: This is a weekly report of some of the incidents that have been attended by our colleagues on patrol teams. As you are probably aware the report is produced by one of our highly valued volunteers. Without being tasked by the SNT or the organisation Dave dedicates his own time to produce this report for his community and the team are extremely grateful to him for doing so, as I am sure you are to. I know that many of you will know Dave through much of the other work he tirelessly commits to, in order to try and make a real difference to the communities of Alcester. Dave is held in very high regard by Warwickshire Police and the communities we serve, and we trust him implicitly to make the decision on what is included within the report and what is not.

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.

Forward from Sgt Ebbs continued...

Recently Dave and the Alcester Safer Neighbourhoods team have received some enquires to ask if incidents that have been reported to Police have been excluded from the report intentionally. Whilst there may be occasions, due to operational sensitivities, where this will be the case, for the majority of incidents I will categorically state that this is not the case. For various reasons it is unfortunately not possible or practical for us to share all of the incidents that occur within the area within this report. The incidents detailed on this report are shared predominantly for two reasons; firstly, where an incident has occurred, and witnesses may be sought and secondly where there is a need to inform residents of any crime trends to allow for residents to be alert and take any crime prevention measures necessary to avoid becoming a victim themselves.

For your information full crime statistics/ maps for the area can be found here:

Alcester North

Unfortunately, Dave and the team will be unable to respond to requests as to why individual incidents are or are not included within this report, but I do thank you all for your continued support and for continuing to providing information to us that empowers us to work towards our aims of reducing crime and disorder. I trust you will continue to find the weekly report useful and informative and will join me in thanking Dave for his previous and continued dedication to the communities of Alcester.
