Alcester Police SNTs. Latest Weekly Report. Sunday 5th February 2023

Based at Alcester Police Station, The Safer Neighbourhood team's primary roles are around crime prevention, problem solving both long standing or emerging issues of community concern and community engagement. We are supported at Alcester by colleagues from Patrol teams whose role is to respond to incidents and investigate crimes that occur in the area 24/7. The SNT is supervised by Inspector Hembry who leads on Neighbourhood Policing for Stratford District and Sgt Ebbs who also oversees neighbourhood Policing in the Shipston on Stour area. Alcester SNT currently consists of 2 Police officers and 4 Police Community Support Officers, and our contact details are shown above.

Hello all.

This is our latest combined weekly report and prompt to see if you have any questions, suggestions, or concerns for the Alcester Police Safer Neighbourhood Teams. Thank you to those that have contacted the Teams this week. If you would like to be removed from this local email circulation list, please let me know asap. This report will also be sent out on the Warwickshire Connected alert system.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report, although they are recorded on police systems. Please remember to report any anti-social behaviour, suspicious activity, or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or cctv footage that may relate to the incidents listed, please contact us.

HELP STOP VEHICLE CRIME

Help prevent thieves taking your belongings. Remove all valuables and tools from cars and vans. Ensure your vehicle is locked. Have a tracker fitted to your vehicle. Try and park your vehicle where it is covered by CCTV. Use a Faraday pouch to store your key.

We have also seen a recent increase of theft of registration plates across the Stratford District. Your local SNTs are targeting this behaviour with one method being to hand out some crime prevention resources. Anti-tamper screws are an effective way to stop this type of theft. Some local community hubs such as village halls and leisure centres, in villages/towns where this crime has been prevalent have been handed these in order to pass out to members of the public. So, if you see any please grab a pack and use them on your car.

This newsletter is not intended to record a comprehensive list of every reported crime in the area but includes crimes and incidents that the local community should be aware of. Staying vigilant and working together with the police and your local community keep crime out of your area.
