

## **Alcester Police North SNT. Latest Weekly Report. Sunday 7th November 2021**

Hello all.

This is our latest weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police North SNT. Thank you to those that have contacted the Team this week. If you would like to be removed from this local email circulation list, please let me know asap.

For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website.

If you have any information or cctv evidence referring to the incidents listed below please contact us with the details, quoting the incident number shown.

**Neighbourhood Watch** - Local Neighbourhood Watch schemes work in a variety of ways that reflect the needs of the local community. This includes: sharing crime prevention advice and information; running awareness campaigns; holding social events and awards for local people and businesses; leading community projects, such as litter picks, a community café, flood defence response, presentations in schools and work with young people and children and community messaging with the police. For further information on the work of the NHW and instructions on how to create or join a scheme, visit here - <https://www.ourwatch.org.uk/>

The Warwickshire Neighbourhood Watch page can be found here - <http://warwickshirenwa.ourwatch.org.uk/>

**Vehicle Crime** – Here are a few crime prevention tips to deter vehicle crime.

- Always lock your vehicle. Whether it's in the garage, on the driveway of your house, unattended for a few seconds or in an isolated car park, lock it and activate any alarm system.
- Always remove valuable items from the vehicle. If this cannot be done the items must be removed from view and secured in a glove box or boot.
- Fit an alarm that will activate on movement in the vehicle. An alarm that can notify you in real time that there is a problem is extremely useful.
- Items such as tools and machinery that cannot be removed can be secured in lockers and security marked with high visibility paint etc.

- If available, park your vehicle in a location that is covered by CCTV, overlooked by houses or is in an area that is in constant use.
- Use anti-theft screws and sticky pads for number plates. If you have a plate that is stolen, replace it with one that has a different design so it is distinguishable from the stolen plate.
- If you see or hear any suspicious activity around a car or car park, ring 101 to report straight away. Active crimes where the offenders are still at the scene can be reported on 999.
- For further advice visit - <https://www.warwickshire.police.uk/cp/crime-prevention/theft-from-a-vehicle/>

**Street Safe** - The force is supporting StreetSafe a new national online tool to allow people to flag places where they have felt unsafe. The system - which is primarily aimed at women and girls - allows members of the public to anonymously drop a pin onto a map and describe factors that caused them concern, including behavioural or environmental reasons why they felt unsafe. Superintendent Mike Smith, community and response policing lead for Warwickshire Police, said: "We're pleased to support and promote this national initiative. Everyone has a right to walk the streets safely and we are committed to ensuring this happens. A key part of this is tackling violence against women. "We will use the information collected using this tool alongside other community intelligence to identify areas of concern and put measures in place to address them."

**Public Contact Survey 2021** - Warwickshire Police is committed to being able to deliver an effective and appropriate response to all requests for service. We appreciate it can be a traumatic and difficult time when you may need to contact the police and therefore we are continuously seeking ways to improve the experience, not least at the very first point of contact you have with the force. To help inform our understanding of how people wish to contact and engage with the force and the services provided, we invite you to participate in a survey. The purpose of this survey is to understand the views of the public and how you interact with the police to help us learn, adapt and improve our services.
