

Alcester Police North SNT. Latest Weekly Report. Sunday 17th October 2021

Hello all. This is our latest weekly report and prompt to see if you have any questions, suggestions or concerns for the Alcester Police North SNT. Thank you to those that have contacted the Team this week. If you would like to be removed from this local email circulation list, please let me know asap. For operational and privacy reasons not all the incidents that occur on the Alcester area are listed in this report. Please remember to report any anti-social behaviour, suspicious activity or crimes to us as soon as possible - this can be done via the 101 and 999 telephone numbers or if not an emergency via our online reporting forms that can be found on our website. If you have any information or CCTV evidence referring to the incidents listed please contact us with the details, quoting the incident number shown. *Vehicle Crime X 2. Car Park, Stratford Road, Hockley Heath. Two work vans attacked. Various tools stolen from one of the vehicles. Intel from the area suggest that a Grey Estate vehicle was seen to leave the car park at the time. 2.30am Thursday 14th October. 0022 14/10/2021 Vehicle Crime – Here are a few crime prevention tips to deter vehicle crime. Whether it's in the garage, on the driveway of your house, unattended for a few seconds or in an isolated car park, lock it and activate any alarm system. Always remove valuable items from the vehicle. If this cannot be done the items must be removed from view and secured in a glove box or boot. Keep car keys and fobs safe in the house and protect them in a faraday pouch for example if keyless. Fit an alarm that will activate on movement in the vehicle. An alarm that can notify you in real time that there is a problem is extremely useful. Items such as tools and machinery that cannot be removed can be secured in lockers and security marked with high visibility paint etc. If available, park your vehicle in a location that is covered by CCTV, overlooked by houses or is in an area that is in constant use. Use anti-theft screws and sticky pads for number plates. If you have a plate that is stolen, replace it with one that

has a different design so it is distinguishable from the stolen plate. Familiarise yourself with the location of your catalytic converter (if fitted), so you can park making it difficult for it to be accessed. Security mark the converter and fit an anti-theft device. If you see or hear any suspicious activity around a car or car park, ring 101 to report straight away.

Active crimes where the offenders are still at the scene can be reported on 999. For further advice visit - <https://www.warwickshire.police.uk/cp/crime-prevention/theft-from-a-vehicle/> Street Safe - The force is supporting StreetSafe a new national online tool to allow people to flag places where they have felt unsafe. The system - which is primarily aimed at women and girls - allows members of the public to anonymously drop a pin onto a map and describe factors that caused them concern, including behavioural or environmental reasons why they felt unsafe. Superintendent Mike Smith, community and response policing lead for Warwickshire Police, said: "We're pleased to support and promote this national initiative. Everyone has a right to walk the streets safely and we are committed to ensuring this happens. A key part of this is tackling violence against women. "We will use the information collected using this tool alongside other community intelligence to identify areas of concern and put measures in place to address them.
